Re: American Hospital Association PAC Amendments  
FEC ID #C00106146

Dear Mr. Ryan:

Enclosed please find comprehensive amendments to the American Hospital Association PAC's 1995 and 1996 disclosure reports.

You may remember that on October 30, 1995, AHAPAC filed comprehensive amendments to its 1994 reports in response to an FEC audit. Those amendments changed the 1994 year-end cash to \$76,632.31.

The enclosed amendments reflect this new beginning cash-on-hand for 1995 and carry that adjustment through to the end of 1996.

In addition, AHAPAC has made several small adjustments to individual line totals (to reflect, among other things, bank service charges, voided disbursement checks, and contributions returned due to insufficient funds) that had not been previously reported by the PAC. These adjustments are included in the comprehensive amendment at this time according to conversations with your office. Pursuant to your instructions, Column A of the Detailed Summary Pages of each amendment reflects the net change for a particular line while Column B reflects the corrected year-end total for that line.
